# DONT #ATE THE NEWS MAKE THE NEWS

Oxford Indymedia is a space for you to publish your own news, access grass-roots coverage of local issues and find out about local groups and events.

It is part of a global network, with over 160 indymedia nodes in 60 countries.

**DID YOU KNOW?** Most newspapers, TV & radio are owned by mega-corporations whose prime motive is profit. For example, the Oxford Mail & Times are both owned by NewsQuest, who are owned by Gannett, the largest newspaper corporation in the USA.

Oxford activists lock-on outside an MOD base in 2003, opposing the war on Iraq

If you feel that your voice is not being heard on local issues that matter to you, **PUBLISH YOUR OWN NEWS, VIEWS, PHOTOS AND VIDEOS AT OXFORD INDYMEDIA.**

You can follow easy instructions and publish your own text and images with just two mouse clicks. Log on to **oxford.indymedia.org.uk** to join the "free information revolution", bypass the conservative corporate media and become part of a global grassroots network.
